

Costa Rica Chapter of the ILAE 2021-2022 Report

CHAPTER OFFICERS

José Chang Segura, President
Roberto Vargas Howell, Past President
Adriana Ulate Campos, Vice President
Alvaro Hernandez Guillen, Treasurer
Emmanuel Martinez Martinez, Secretary
Rocio Quesada Roman, Vocal 1
Laura Hernandez Con, Vocal 2

Officer Election Date: 8 July 2020

ACTIVITIES AND ACCOMPLISHMENTS

- We built the first webpage of the Costa Rica ILAE Chapter.
- We worked with NeuroEdu CR (an educational social media) to promote education in epilepsy.
- We coordinated the first Basic Epilepsy course which will start in January 2023.

MEETINGS

Every two months.

CHALLENGES FACED IN 2021 AND 2022

The biggest challenge faced was conducting meetings as the schedules of chapter members were conflicting. The sponsorship for meetings was difficult to find as well.

FUTURE PLANS FOR 2023

- Work with governmental institutions in the promotion of education in epilepsy
- Build more epilepsy courses for primary care
- Work with public and private universities in education of epilepsy

Report submitted by José Lee Chang Segura
