Dear friends of ILAE,

It is my great honor and privilege to have been elected as a member of the Executive Committee (2013-2017). I want to express my sincere gratitude and thanks for your support for the ILAE election. For the next four years and beyond, under the leadership of the President Elect of ILAE, Dr. Emilio Perucca, I believe it is our mission to continue and further enhance collaborative international education, training, and research to improve the quality of life for all the people with epilepsy regardless of gender, age, geographic location, and economic status. Again, I am greatly honored by the result of the election that I have received. I am looking forward to working and collaborating with all of you in the next term (2013-2017).

With my best wishes,
