

Tired of sitting in a meeting? Get active and join the Epilepsy Awareness Run, raising awareness for our initiative to promote the importance of representing early-career clinicians and scientists working in the field of epilepsy within the ILAE.

Local YES members will guide you through the park of the “Prater”, right outside the Congress Center. So, bring your shoes and join our jog through one of Vienna’s most famous parks!

When and where?

27.08.2018, 16h15 Meeting Point: YES Booth in the Exhibition Hall, the run starts at 16h30

We are able to temporarily guard your personal belongings at the wardrobe, but unfortunately we are not able to provide changing facilities or showers.

Donations:

If you don't feel like actively joining the run you can also sponsor one or several of our runners (pay any amount you like for each kilometer we run) or make a simple donation.

With your contribution we will support the **Epilepsy Alliance Europe**, a non-profit organization established under the auspices of the ILAE and the IBE, whose aim is to improve the quality of life of all people with epilepsy, their families, care-givers and healthcare providers through European Union policy.
