CAREER FUNDING SESSION

“How to Land an NIH Fellowship or Career Development Award”

In this session, we will facilitate a panel-style conversation about the challenges that face young trainees in obtaining independent research funding. Panelists from a variety of career stages (graduate students to independent PI) will provide advice and tips on how to develop “fundable” ideas and how to craft a successful application.

Panel members:

- **Jeannie Chin, PhD**, Assistant Professor, Baylor College of Medicine, Houston, TX
- **Tristan Shuman, PhD**, Assistant Professor, Icahn School of Medicine at Mount Sinai, New York, NY
- **Christopher Makinson, PhD**, Post-doctoral Fellow, Stanford University, Palo Alto, CA
- **Nadia Khan, PhD Graduate Student**, University of Wisconsin-Madison, Madison, WI

Time and Location:

New Orleans Marriott Hotel

555 Canal Street, Balcony L, Level 4

Saturday, December 1, 2018, 5-6pm
